Gather up ten of your favorite people to come ride with us on (electric) e-bike all aglow like a roaming rave party! While we light up brightly for everyone's safety, there's no denying it's some serious luminescent fun for all – not to mention you'll skip all the Balloon Fiesta traffic and parking. Instead, we'll all meet at 5pm at the Canteen Brewhouse in Comanche Business Park with easy access and ample parking. After a short orientation to the electric bikes, we'll guide you on a lovely sunset ride along the paved & protected North Diversion Trail straight into Balloon Fiesta Park – just in time for the Special Shapes Glowdeo™, Team Fastrax Skydiving and AfterGlow™ Fireworks Show. As the masses return to the jammed parking lots, we'll sneak out with a whispering hum and fluorescent glow into the quiet, starry night along the protected bike path back to the Canteen Brewhouse.

Prize: Guided eBike Tour, Helmet, Balloon Fiesta Admission and beverage included for 10 guests.
